GEORGIA BOARD OF PHARMACY

Instructions for Pharmacy Technician Applicants in the State of Georgia to Obtain Fingerprint for a Background Check

The Georgia Board of Pharmacy requires a fingerprint background check on all applicants. The Georgia Bureau of Investigation (GBI) awarded Cogent Systems the contract to provide a service for electronic submission of fingerprints for Georgia applicants. The service, Georgia Applicant Processing Service (**GAPS),** decreases the need for submitting hard copy fingerprint cards to obtain an applicant's criminal history background check. GAPS Print Sites are strategically located throughout the State of Georgia.

The Federal/State criminal history results will be available to the Georgia Board of Pharmacy within 48 hours after the applicant has been fingerprinted and the prints are received by GBI, Georgia Crime Information Center (GCIC).

The GAPS fingerprint background check process is simple and easy to use. Follow the instructions below.
If assistance is required you may contact the Cogent Systems/GAPS at 1-866-500-2347.
